

## **SFASU School Psychology Programs**

### **M.A. in School Psychology**

- **Traditionally all classes have been offered face-to-face on campus**
- **We are now offering the Master's through Zoom with real time attendance with the following stipulations:**
  1. **Must live more than 50 miles from Nacogdoches**
  2. **Must live in Texas**
  3. **Some courses will require time on campus**
    - a. **EPS 550 Quantitative Methods-1 or 2 days**
    - b. **EPS 545 Individual Intelligence Testing-2 or 3 days**
  4. **With assessment, students must be willing and able to work with Region Service Centers or your local school districts for access to testing kits**
  5. **Responsible for all assignments and course work just like on-campus students**
  6. **Thesis is required and times of supervision will have to be worked out with thesis supervisor**
  7. **Practicum, shadow practicums and internships are required and you must find locations for these, have them approved by the course instructor, the program, and the university. Students assume responsibility for the identification of the site and securing the signature on the required forms from the external site.**
